About Code Camp
Our Mission
At TechLaunch Academy, we aim to bridge the skills gap in the IT industry by offering comprehensive bootcamps that prepare students for the demands of the workforce.
Why Choose Us
• Affordable, intensive, and designed for real-world application.
• Curriculum aligned with the latest industry standards.
Meet the Team
Jane Doe - Python Instructor
Jane has over 10 years of experience as a software engineer and is an expert in Python development.
John Smith - A+ Instructor
John is a certified IT specialist with over 8 years of teaching experience in hardware and networking.
